Hose winder supports

## Low pressure liftmounted

Manual herbicide booms book type 7, 10, 11 and 12 mts.

# SPRAYERS

## Trailed

### Features

Polyethylene main tank with different capacities: 1.000, 1.500, 2.000 or 3.000 litres.  
 Washing and feeding circuit tank.  
 Handwashing tank.  
 Frontal and lateral external level indicators.  
 Very reinforced chassis.  
 Pump AR-503 (3 membranes, 55 l/min, 40 atm)  
 Hydraulic mixer of large flow.  
 Regulating valve in pump.  
 Faucets in the back side.  
 Anti pollution control charger.  
 Lighting system.  
 Mono control (control to the tractor).  
 Kickstand with rotating wheel.  
 Parking brake (wedge) in 1000,1500,2000, 3000 lts)  
 Service brake (hydraulic) in 3000 lts.  
 Reinforced transmission.

### Accessories

Rotatory coupling.  
 Extensible axle.  
 Homocinetic transmission.  
 Back Case (luggage rack)  
 Electric controls (electro-valves)  
 Hoses and spray guns.  
 Semi-atomizer  
 Inter row screens
